

*“Ultimately, information literate people are those who have learned how to learn. They know how to learn because they know how knowledge is organized, how to find information, and how to use information in such a way that others can learn from them. They are people prepared for lifelong learning, because they can always find the information needed for any task or decision at hand.”*

## Partners in Library Science

PSJA CCTA CTE ECHS Library is in a unique partnership with South Texas College (STC) Library. As of fall 2014 at CCTA CTE ECHS Library, both library systems have been providing library services to high school and college students. Many PSJA ISD students are concurrently enrolled with STC. These students are earning a high school diploma while also earning a college certificate. Some STC courses offered to dual enrollment PSJA students are

- Computer Information Specialist,
- Criminal Justice,
- Dental Assistant, and
- Welding.

Located at CCTA CTE ECHS campus, the Pharr Teaching Center offers traditional STC programs and courses in some of the following areas:

- Electrician,
- Firefighter Academy Program,
- Police Academy Program, and
- Welding.

## STC Library Resources

Students enrolled with STC can use STC Library resources through their Jagnet account. In order to access these resources, students need their Jagnet username and password. Library resources available are e-books, videos, articles, and research guides.

If a student requires a book from another STC campus library, an intra-campus loan request can be made and the book will be delivered to CCTA Library. Delivery time is usually 24 to 48 hours. In case a book is not available through STC Libraries, an interlibrary loan request can be made to another Texas university or college. Delivery time is usually 5 to 10 business days.

Another STC Library resource available to patrons is a live chat with a STC reference librarian Monday through Friday from 8 a.m. to 5 p.m. If a student needs assistance after hours, including weekends, STC has a 24/7 online help chat system AskAcademic.
