TEA Legal Requirements

TEA has developed additional requirements for school district budget preparation as follows:

- The budget must be adopted by the board of trustees, inclusive of amendments, no later than August 31 (June 30 if the district uses a July 1 fiscal year start date).*
- Minutes from district board meetings will be used by TEA to record adoption of and amendments to the budget.*

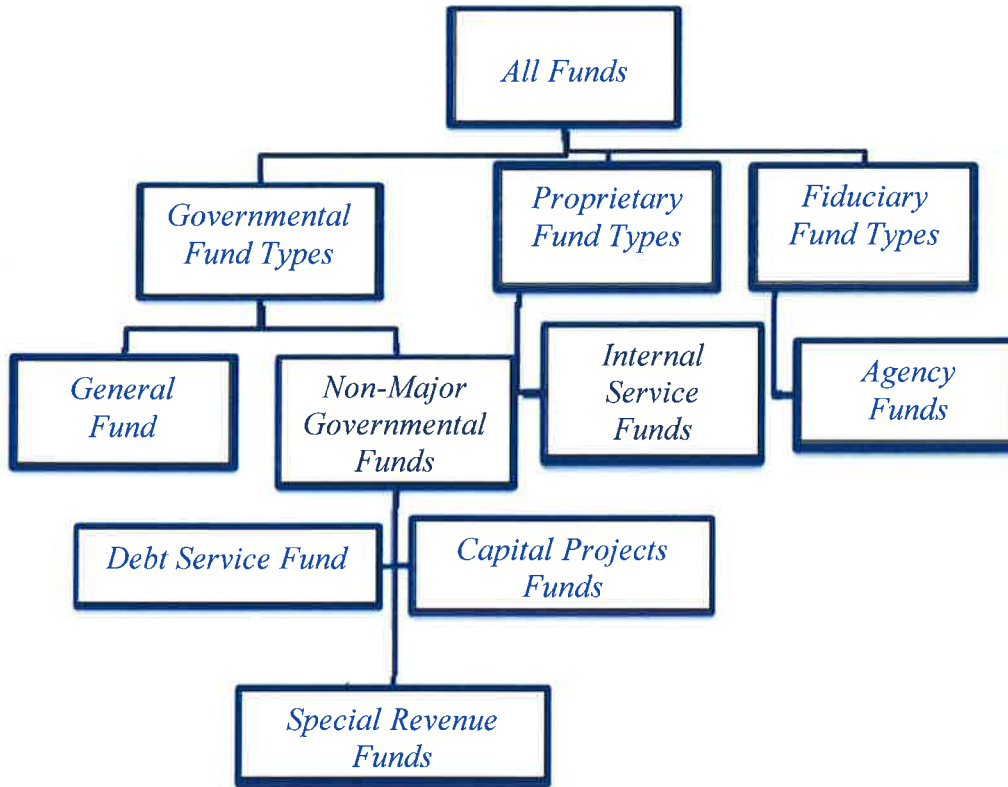

Budgets for the General Fund, the Food Service Fund (whether accounted for in the General Fund, a Special Revenue Fund or Enterprise Fund) and the Debt Service Fund must be included in the official district budget (legal or fiscal year basis). These budgets must be prepared and approved at least at the fund and function levels to comply with the state's legal level of control mandates. Funds to be budgeted and reported through PEIMS, both required and optional, are shown in the next exhibit.

***Note:** Districts may prepare and approve budgets for other funds and / or with even greater details at their discretion. Such local decisions may affect the need for budget amendments and financial reporting requirements.*

- The officially adopted district budget, as amended, must be filed with TEA through PEIMS (Public Education Information Management System) by the date prescribed in the annual system guidelines. Revenues, other sources, other uses, and fund balances must be reported by fund, object (at the fourth level), fiscal year, and amount. Expenditures must be reported by fund, function, object (at the second level), organization, fiscal year, program intent and amount. These requirements are discussed in further detail in the Data Collection and Reporting module.*
- A school district must amend the official budget before exceeding a functional expenditure category, i.e., instruction administration, etc., in the total district budget. The annual financial and compliance report should reflect the amended budget amounts on the schedule comparing budgeted and actual amounts. The requirements for filing the amended budget with TEA are satisfied when the school district files its Annual Financial and Compliance Report.*
