December 18, 2020

Dear Parents/Guardians,

The first half of the school year has come to an end. I would first like to say thank you to our awesome Treviño staff. Thank you for your perseverance, dedication, and commitment to the education of all our students. To our parents, you played a critical role in your child's education more than ever this year, especially during this pandemic. Thank you, for the continuous support you have given both to your children and to the school.

As we continue with remote learning for the start of second semester, I would like to emphasize the importance of attendance. We all have experienced that remote learning is more challenging than in person instruction. If your child misses out on connecting live with his/her teacher, he/she misses out on the lesson(s) for the day. In return, your child's opportunity to achieve the high-quality education he/she deserves is reduced. Our teachers hold high expectations for all students and along with attendance, students are expected to complete all required assignments daily.

School closes for the Winter Break starting on Monday, December 21<sup>st</sup> and will re-open on Tuesday, January 5<sup>th</sup>. Second semester will continue with Phase II, remote on-campus for those parents who would like to send their child(ren) to school. Parents, you do need to fill out the survey on-line prior to sending your child to school. Survey can be found on the district website: [www.psjaisd.us/reopening](http://www.psjaisd.us/reopening). Our campus is equipped with adequate personnel to supervise your child(ren) and CDC guidelines are implemented throughout the school.

I thank you again for your continuous support and cooperation and on behalf of the Sgt. Treviño Elementary Family, I wish you all a Happy, Safe and Merry Christmas Break and a Joyful New Year!

Sincerely,

*Mrs. Maria Rubio-Villescas*

Principal
