TAKS Exit Level

Effective beginning with the 2017-2018 school year, the Texas Assessment of Knowledge and Skills (TAKS) assessments will no longer be administered. Students for whom TAKS is a graduation requirement, including former TAAS and TEAMS examinees, may pursue one of the following options to receive a Texas high school diploma.

- 1) Request district decision. An examinee should contact the school district where he or she was last enrolled to request a district decision regarding whether the examinee qualifies to graduate and receive a high school diploma. (Senate Bill 463) *
- 2) Achieve satisfactory performance on alternate assessment. The alternate assessments allowed for TAKS are SAT, ACT, TSI, and STAAR. Former TAKS, TAAS, and TEAMS examinees should take only the appropriate part of the alternate assessment he or she needs to fulfill testing graduation requirements. (Texas Administrative Code §101.4003 *
