The District maintains and operates three (3) above-ground storage tanks. The tanks are located at the following locations: Maintenance (10,000 gallons), Food Service (5,000 gallons), and Transportation (12,000 gallons)

The 82nd Legislature Regular Session enacted House Bill 2694 made the Petroleum Products Delivery Fee permanent effective September 1, 2007. The fee will apply to all petroleum products imported into Texas or withdrawn from bulk storage facilities and delivered into cargo tanks or barges. The fee will be based upon total gallons delivered, as shown in the schedule:

<u>Gas Gallons/Diesel Gallon Delivered as of 09/01/2015</u>	<u>Fee</u>
Less than 2,500	\$1.70
2,500 but less than 5,000	\$3.45
5,000 but less than 8,000	\$5.45
8,000 but less than 10,000	\$6.95
10,000 or more, per 5,000 or increment thereof	\$3.45

The fee charged will be the same regardless of the distributor of the petroleum products.
