Pencil Ladies, LLC	Joan Tolle	joan@penciladies.com	The Pencil Ladies, LLC was created in January 2018 by two recently retired teachers with the mission to help teachers and students. We provide ELAR education consulting, ELAR staff development as well as ELAR supplemental materials specifically for reading and writing. We strive to provide superior customer service, innovation, quality, and commitment to schools, staff, and students of Texas. The Pencil Ladies have more than 60 years combined experience in the classroom, having taught second grade through junior college. We share a passion for developing students into stronger readers and writers. Rather than a "quick-fix" for student difficulties in reading and writing, we provide strategies with lasting impacts for both teachers and students to be more successful in the ELAR classroom. Our teacher-created workbooks, Winning Writers workbooks (GR 2-6) and Champion Writers teacher/student workbooks (GR 6-12) are sold in conjunction with a 6-hour training that provide teachers with strong writing strategies to meet Texas Student Standards. The strategies and activities in these workbooks can be readily used in the classroom with little expense and preparation time, and they make vertical alignment for grades 2-12 manageable for all teachers. Building Connections (GR 3-5) and Bridging Connections (GR 6-9) workbooks provide TEKS aligned multi-level, hands-on reading and writing activities. Our workbooks are designed to meet critical thinking skills required by the Texas Student Standards and to meet the needs of differentiated learning styles.
